

24th Annual NSS RIT Blood Donation Camp

Venue: ESB Basement

Date: 1st December 2022

"Smile and give, someone will smile and live."

The 24th Annual NSS RIT Blood Donation Camp 2022 was organized on the 1st of December 2022. The event took place in the ESB Basement of our college from 9:00 am to 5:00 pm. Eleven blood banks across Bangalore joined us for the collection drive this year.

The inauguration ceremony started at 11:00 am. The chief guests for the day were Sri. M.R. Seetharam (Vice Chairman, GEF, Director, RIT), Sri Gurunandan, Sri Rohith Saraswathi. The program was started by invoking the Almighty's blessing through an invocation song followed by lighting of the lamp by the chief guests. This was followed by the speeches given by the chief guests of the ceremony where they appreciated the NSS wing for their small measures to contribute to society.

The event was coordinated by the NSS officers and the student coordinators. Each team was allotted a blood bank and they had to guide the volunteers in their work and assist the blood bank personnel. There were about 500 NSS volunteers who took part in the event and each volunteer was assigned with one specific task. They had to take care of the registration process, escorting the donors to the respective blood banks, hospitality, providing refreshments and certificates and crowd control to name a few.

The entire procedure of blood donation had certain procedures to be carried out and happened systematically. Donors initially had to collect tokens from the main registration desk, after which they were taken to the registration desks of the respective blood bank. Once they were done with the registration process, they proceeded for the general medical examinations like blood pressure and haemoglobin count, after which the donor was sent for phlebotomy.

Each donor was given a certificate of appreciation and souvenirs at the end. All the students and faculty of various MSR institutions, general public and employees of various companies actively took part in the blood donation camp.
